To Parents/Guardians of Fifth Graders:

Re: Photo permission / Memory Book

The Memory Book is a special way for the Fifth Grade students to remember their years at Euclid School ! We hope that everyone participates in all of the activities throughout the year and is recorded in the Memory Book along with all their classmates.

Of course, in order to do this, students need to have their pictures taken in many different circumstances, and according to the law, we are required to ask for your permission to produce identifiable information (name, photo, image, address, etc.) in school publications like a Memory Book or a school newspaper.

Consequently, if you are agreeable to having your child photographed, then no further action is necessary ! **

** NOTE : If you do not want your Fifth Grader's photo to appear in the Memory Book, please down load this form, fill out the bottom , and have your child return the form to the Main Office asap !

Thank you for your attention to this important matter !
