From the Eagles’ Nest :

Our Week of Respect went very well, with many students producing excellent posters and slogans supporting our new HIB (Harassment, Intimidation, Bullying) policies. Students also demonstrated their understanding of our objectives, as they performed a number of random acts of kindness and respect!! For more information about our HIB program, there will be a Community Outreach program on the 17<sup>th</sup>, in the HS Media Center! Please check the attached brochure!!

This week, Fire Prevention Week, had the entire school attend safety lectures by a team of HH firemen and women, who discussed safety procedures, family practices in the home, and gave numerous safety hints. A great job by our volunteer force!!!!

**Weekly Messages 10/13/11**
