(Winter Break)

Dear Junior Aviator Family,

We had another amazing week of school!!! Even with the weather, our Junior Aviators were working hard. Remember that the marking period closes on January 25th!!!

I want to begin by saying CONGRATULATIONS to our amazing Junior Aviators who competed in last night's Spelling Bee. This was our 12th annual Spelling Bee at HHMS and as always, I couldn't possibly be more proud of our students! Our 1st place winner, Brianna P, will be participating in the North Jersey Spelling Bee with a chance to qualify for the National Bee in Washington DC! A special shout out to Mr. Muska and Ms. Coffey for putting together the Bee each year. Also, a special thank you to Mrs. Lori Cintron, Board of Education President, for being one of our judges this year!

Good Luck to all of our sports teams this weekend. - Mr. Mastro
