Dear Junior Aviator Family,

We are down to only 15 days of school (after today). I still can't believe that we are in June.

It is the final middle school chapter for our 8th graders who had a phenomenal 8th grade formal last night. Thank you so much to our amazing PTSA for all that they do!!!

Finally, BIG THANK YOU to our PE department on setting up and giving our kids a great Field Day. Ms. Ferranti, Mrs. Miller, Mrs. Abbatiello, Mr. Marchese, Mr. Freund, and Mr. Schmarek did a phenomenal job. We will be announcing the winners this morning.

Have a great weekend, and please make sure to check out the important upcoming dates on the left. -Mr. Mastro
