Dear Junior Aviator Family,

We are down to only 22 days of school left. We are 100 percent done with state testing WOO HOO!!!

I also wanted to say **THANK YOU** to Mrs. Toy and all the Junior Aviator staff members that went camping this week. As always, Mrs. Toy put together a phenomenal trip where our Junior Aviators had an amazing time!!! I truly appreciate each of each of our staff member who attend the trip for spending three days away from home for our students. I know all the rearranging that needs to be done at home with taking care of others, missing time at their second jobs, and getting kids to different activities/ games. Also, thank you to the teachers/counselors, paras, and other staff members that we're back at school picking up all new classes or extra classes and jumping in to help out to make sure our school ran smoothly with so many teachers volunteering for camp. We have a phenomenal staff that truly cares about kids. I realized every day how lucky I am to be working with each of them.

Have a great weekend, and please make sure to check out the important upcoming dates on the left. -Mr. Mastro
