Junior Aviator Family,

We are so proud of our students on another great week. We also really appreciate all the support from our amazing Junior Aviator community.

Please remember that today is the first day of cycle 2. This means that we are officially 1/6th through the school year.

Congratulations to our Boys and Girls Junior Aviator Cross Country Team who ran at the Big Championship Meet this week. We had two members of our Girl's Country team finished in the top 25 which is a gigantic accomplishment. Valentina P. (11th place), and Maddie H. (23rd place). Congratulations to all of our Junior Aviator athletes!!!

Have a great weekend and good luck to all of our Junior Aviator Athletes! Also, please be on the lookout for a "Mondays With Mr. Mastro" on Monday morning. Of course, Mondays are the best day of the week!

Joseph Mastropietro
