Dear Junior Aviator Parents/Guardians/Students,

We are officially in the 4th marking period! It's extremely hard to believe that in about 10 weeks, our 8th grader Jr. Aviators will be graduating and summer will be here!

Report Cards will be available this afternoon. Please check Genesis for your 3rd Marking Period grades.

Today is your last chance to sign up for the *Summer Enrichment Program*! Please click the link below to fill out our interest survey so we know how many students will be participating in the program. Have a great weekend!
