Dear Junior Aviator Parents, Guardians & Students,

On Thursday, we had our Middle School Geography Bee. Congratulations to all the students that competed, and Michael N. won the Bee this year. A special thank you to Mr. Muska for setting up the entire event. Also, a thank you to Mrs. Caruso, Mrs. Cintron, and Ms. Coffey for judging the competition.

I also need to say CONGRATULATIONS to our very own Mr. D'Amico who was honored as the WDHA radio station's "Teacher/Educator Who Rocks!" We are so lucky and grateful to have you in Hasbrouck Heights! You are a true professional and mentor to all of us. Have a great weekend!

-- Mr. Mastro
