Dear Junior Aviator Parents/Guardians/Students,

We are down to 9 school days until Spring Break and the end of the 3rd marking period. In fact, we only have 59 days of school left after today. Please be sure to complete any missing assignments and reach out to your teachers if you have any questions.

We are half-way through our “*READ ACROSS AMERICA*” contest. Remember, if you ‘get caught reading’, you will have the opportunity to choose this year’s song for Mr. Mastro to sing and dance to!

IMPORTANT: We will be sending out a parent survey this afternoon. The survey should be completed **ONLY** if you would like to change your child’s current programming (**Virtual OR In-Person 5 days per week**).

Survey responses MUST be submitted no later than Friday, March 26th, 2021.

Whichever option you select for your child as of Friday, March 26th is what they are expected to remain in during this next phase, which will run from Monday, April 12th until Friday, May 14th (1st half of MP 4). **Again, if you are happy with your child’s current program, you DO NOT need to fill out the survey.**

On May 17th, there is a possibility that we may move to full days of school which would be our next phase. Of course, more information on that to follow as we move closer.

Have a great weekend and an awesome weekend! --Mr. Mastro
