Dear Junior Aviator Parents/Guardians/Students,

We are down to 4 school days until Spring Break and the end of the 3rd marking period. In fact, we only have 54 days left of school after today. Please be sure to finish the marking period strong and complete and submit any work that is assigned by your teachers. As always, reach out to your teacher or guidance counselor if you need assistance in any way.

We are down to our final few days of the *READ ACROSS AMERICA* contest. Remember, if you 'get caught reading', you have the opportunity to choose this year's song for Mr. Mastro to sing and dance to!

IMPORTANT: Please don't forget to fill out the surveys that were sent out last week.

The first survey was an interest survey to see which families are interested in signing their Junior Aviator up for our Summer Enrichment Program.

The second survey was in regard to making any changes to your child's current programming. You **ONLY** need to fill out this survey if you would like to make a change to your child's programming (virtual to in-person **OR** in-person to virtual). If you are happy with your child's current program, you **DO NOT** have to fill out the survey. Any changes that you choose will take effect on **Monday, April 12th through Friday, May 14th.**

Enjoy your weekend and the JAFF will be back on April 16th!
