## JUNIOR AVIATOR FRIDAY FOLDER

April 3rd, 2020

Junior Aviator Parents/Guardians,

The students did an excellent job with their third week of virtual learning. Once again, the hardest part was not seeing all of their smiling faces at school. I will continue to follow up with you via email with updates and information as it becomes available. The third marking period will end on April 9th. Also, there will be no third marking period quarterly.

All MS Activities for the month of April have been postponed/canceled until further notice.
