Junior Aviator Parents & Guardians,

We are down to our final week of school! Unfortunately, we have just 1 *Friday Folder* remaining for the school year. I know that this is tough news to hear, but we will do our best to make the final edition a special one!

As usual, we had a very busy week at the Middle School. Our Junior Aviators completed their Quarterly Assessments and had an awesome Field Day event. Thank you to our Physical Education teachers and staff members for organizing this day for our kids. We also hope that our 8th graders have a great time at the Formal tonight.

Thank you and have a wonderful weekend!

-Joseph Mastropietro
