6/12 - Quarterlies 5 & 5  
6/13 - Quarterlies 4 & 1

### **Junior Aviator Parents & Guardians,**

Mock Trial had their culminating event of the school year on Thursday night, which included the court case, "The Mocketal Multi-Tool Trial". All of our mock trial members did a fantastic job and a special thanks to Mr. Stillman and Mrs. Gay for working all year with our students. Also, thank you to Mr. DiPisa our honorable judge for the night.

We also had a great time today at the Torch Run for Special Olympics. Thank you to Chief Colaneri, Sgt. Baker and the HHPD for including us in this awesome event!

Please make sure to view our *End of Year Dates* document (see attached) for dismissal times as we close out the school year. Dismissal times vary for quarterlies, field day, and single-session days, so please make note of these modified schedules.

Thank you and have a wonderful weekend!

*Joseph Mastropietro*
