

HASBROUCK HEIGHTS

JUNIOR AVIATOR FRIDAY FOLDER

March 20th, 2020

Junior Aviator Parents/Guardians,

The students did an excellent job with their first week of virtual learning. The hardest part was not seeing all of their smiling faces at school. I will continue to follow up with you via email with updates and information as it becomes available. As we discussed with the students, email will be the best means of communication with any school personnel during the closure. Our goal is not to overwhelm the students, but rather to continue education through our digital platform. In the meantime, please visit our district website by clicking the link below.

A special shout out to all of the Junior Aviators that participated in Spirit Week at home (virtually!). We had an impressive showing on Monday (Pajama Day:-)! We can't wait to have our Junior Aviators back at school!
