Dear Junior Aviator Parents/Guardians,

Dear Parents/ Guardians,

We had another great week at HHMS! I would like to thank all of our Junior Aviators for participating in our "Pink Out" this week to help support Breast Cancer Awareness.

Today was a great start to our MP 1 Quarterlies! Today was Language and Monday will be Mathematics (see full schedule on left). Thursday (10/31) is our Halloween Dress-Up Day. Remember that students are allowed to dress up with a \$5 dollar donation, which will be donated directly to St. Jude's Children's Hospital. Please make sure that all costumes must be school appropriate (see attached flyer for more details).

Good Luck to all our sports teams this weekend. We are proud of all our athletes and performers!

Have a great weekend!
