### Junior Aviator Family,

We had another incredible week at the Middle School! First, our 7th and 8th-grade students observed an assembly about the dangers of vaping. A huge thank you to Mrs. Christianson, Mrs. Neumann, and Mrs. Perdomo for setting this up for our students! Second, we had an awesome Field Day at Depken Field yesterday. It was so nice to be back down at the field for our Junior Aviator Field Day event, which is always an exciting memory for our students. A special thank you to our PE staff for setting up this great event. Finally, our 8th-grade students attended their Formal last night, which was such a beautiful evening for our kids! Thank you to the PTSA for organizing and facilitating such a memorable night for our graduating Junior Aviators, which they will remember forever!

-Mr. Mastro
