# HASBROUCK HEIGHTS HIGHSCHOOL

# **ALMA MATER**

There are many other schools Of this there is no doubt. Still we'll always cling to Hasbrouck, For we know there's but one route. That's to win all of the victories, In the classroom and the track. And be loyal sons and daughters, Of the Orange and the Black. When the cares of life o'er take us, Mingling fast our locks with gray. Should our dearest hopes betray us, False fortunes fall our way. Still we'll banish cares and sadness, As we turn our memories back. And recall the days of gladness, 'Neath the Orange and the Black.

# PARENT COMMUNICATION

The Administrative Team recognizes that students in grades 9-12 are faced with multiple developmental, academic, physical, and social changes in their lives. To have a collaborative approach and to assist them in becoming self-sufficient, independent learners, we believe that effective and frequent communication between home and school is a must. We ask that you contact your child's teacher as a first means to resolve issues that may occur. In addition, counselors and members of the Child Study Team are also available as an initial contact for various situations. The following are procedures within the building that assist us with communication.

\*<u>Please note that the building administration monitors and regulates each of the communication</u> procedures detailed below and therefore, issues of inefficiency should be immediately reported to the building principal.

### • Back to School Night- High School:

## Attendance (#5200)

All students are expected to make attendance in school a top priority. The teachers, administrators, and staff recognize their responsibility to provide a thorough and efficient education to all students. Therefore, it is critical that every student and their parent/guardian accept responsibility for the student's attendance at school as scheduled, and required by state law. Excellent attendance will positively affect student achievement!

If a student is to miss school as part of an excused / unexcused absence, it is the responsibility of the student's parent/guardian to notify the school. The process for notifying the school of the student's absence should be followed as outlined below:

1. The parent/guardian is requested to call Mrs. Del Vecchio in the Attendance Office at (201) 393-8190, no later than 8:45am (notification after 8:45am will be considered truant). If there is no answer, please leave a message on the voicemail system.

2. The information provided should include the student's name, grade, and a callback phone number for the parent/guardian.

### <u>IT IS VITAL TO THE SAFETY OF OUR STUDENTS AND THE PROPER FUNCTIONING OF THE</u> <u>SCHOOL TO HAVE ALL STUDENTS ACCOUNTED FOR AT ALL TIMES. PLEASE BE SURE TO CALL</u> <u>IN ALL ABSENCES!</u>

Students that are absent from school for any reason are responsible for the completion of assignments missed because of their absence.

A student who is absent from school for observing a religious holiday shall not be deprived of any award, eligibility, or opportunity to compete for any award, or deprived of the right to take an alternate test or examination that was missed because of the absence provided there is a written excuse of such absence signed by the parent.

Prolonged or repeated absences, excused or unexcused, from school or from class, deprive students of the educational and classroom experiences deemed essential to learning and may result in retention at grade level or loss of credit or removal from a course that would count toward high school diploma in accordance with policies of this Board.

Students shall be subjected to the school district's response for unexcused absences that count toward truancy during the school year as outlined in N.J.A.C. 6A:16-7.6(a)4 and Regulation 5200.

Unexcused absences from school or from classes within the school day may subject a student to consequences that may include the denial of a student's participation in co-curricular activities and/or athletic competition.

Repeated absences from school interfere with efforts this Board and its staffing the maintenance of good order and the continuity of classroom instruction and such absences may result in the removal of the student from a class or course of study.

### **Tardiness**

1. The Board of Education believes that promptness is an important element of school attendance. Pupils who are late to school or to class miss essential portions of the instructional program and create disruptions in the academic process for themselves and other students.

2. Tardiness to school or class that is caused by a student's illness, an emergency in the student's family, the observance of a religious holiday, a death in the student's family, or by the student's compliance with a request or directive of an administrator will be considered justified and is excused. All other incidents of tardiness will be considered unexcused.

3. A student who develops a pattern of tardiness, excused or unexcused, will be offered counseling with an appropriate staff member to determine the cause of the tardiness.

### Late to School:

Any student who reports to school after 7:55 am must report to the Hall Monitor located at the front door. The student must sign in and receive two late passes from the Hall Monitor. One of the passes should be immediately given to the Main Office and the other should be given to the classroom teacher for admittance to his/her class.

### Late to Class:

Lateness to class is excused only when a student has a pass from a staff member when arriving in class. If a student is less than three minutes late to class, the teacher has the authority to address the "time lost" as they see fit. If a student is late to class two times for more than three minutes, it will be considered a "cut" and disciplinary action will be taken.

Discipline for Tardies:

1-3 tardies – excused

4<sup>th</sup> tardy- central detention (30 minutes before or after school)

7<sup>th</sup> tardy- 2 central detentions

10th tardy- Saturday school (8-11 am HS Media Center; Parent notification)

13<sup>th</sup> tardy- Saturday school (8-11 am HS Media Center; Parent notification, Attendance Action Plan) >20 tardies- may lose 1<sup>st</sup> period credit

### DRESS CODE (#5511)

The Board of Education recognizes that each pupil's mode of dress and grooming is a manifestation of personal style and individual preferences. The Board will impose its judgment on pupils and parent(s) or legal guardian(s) only when a pupil's dress and grooming affect the educational program of the schools. Therefore, pupils may not wear clothing or engage in grooming practices that present a health or safety hazard to the individual pupil or others; materially interfere with schoolwork, create disorder, or disrupt the educational program; cause excessive wear or damage to school property; or prevent the pupil from achieving his/her own educational objectives because of blocked vision or restricted movement.

The Board of Education prohibits pupils from wearing, while on school property, any type of clothing, apparel or accessory which indicates that the pupil has membership in or affiliation with any gang associated with criminal activities. The local law enforcement agency will advise the Board, upon request, of gangs which are associated with criminal activities.

The Building Principal, or his/her designee, shall determine whether the dress or grooming of pupils comes within these prohibitions.

Staff members shall demonstrate, by example and precept, wholesome attitudes toward neatness, cleanliness, propriety, modesty, and good sense in attire and appearance.

All students are urged to take precautions with their possessions.

Make sure lockers are closed and locked.

Leaving trash on the table or throwing trash on the floor is unacceptable. Students who display inappropriate behavior during lunch or who do not clean up after themselves may have restricted lunchroom access as a consequence.

### Hallway Behavior

Students are expected to keep to the right while traveling in the hallway, keep voices low, and keep moving to your next classroom. It is important not to gather with friends or stop to talk during the passing of classes. Loitering could result in lateness to class.

Students are not permitted to enter classrooms without a teacher present. Students must wait outside and line up along the lockers until the teacher arrives and/or permits student entrance.

### **Gum Chewing**

Careless disposal of gum in drinking fountains, furniture, and floors presents sanitation and cleaning problems and costly repair. Therefore, gum chewing is not permitted.

The Board is committed to the prevention of substance abuse and the rehabilitation of substance abusers by educational means, but will take the necessary and appropriate steps to protect the school community from harm and from exposure to harmful substances. Accordingly, the Board will establish policies and procedures in operating programs to support the social, emotional, and physical development of students in accordance with the provisions of N.J.S.A. 18A:40A-1 et seq. and N.J.A.C. 6A:16-4.1 et seq. # Plagiarism (see policy #5701)

### Academic Integrity

One of our main goals each school year is to provide an atmosphere where academic honesty is valued. Students who engage in cheating and plagiarism are using someone else's work and efforts, claiming them as their own, for their own benefit. Cheating is defined as both giving and receiving information for the purpose of improving grades on a quiz, test, essay, research paper, or homework. Plagiarism is also considered cheating. A student who is identified as cheating or plagiarizing by giving or receiving answers on a quiz or test or copying someone else's work on essay, research paper, homework or other assignments will be disciplined according to the Code of Conduct.

### GRADING SYSTEM (#2624) and Honors Criteria (#2624.1)

Please refer to these policies which can be found on our district website, as changes have been made.

### Technology, Acceptable Use Policy

The Board of Education recognizes as new technologies shift the manner in which information is accessed, communicated, and transferred; these changes will alter the nature of teaching and learning. Access to technology will allow pupils to explore databases, libraries, Internet sites, and bulletin boards while exchanging information with individuals throughout the world. The Board supports access by pupils to these information sources but reserves the right to limit in-school use to materials appropriate for educational purposes. The Board directs the Superintendent to effect training of teaching staff members in skills appropriate to analyzing and evaluating such resources as to appropriateness for educational purposes.

The Board also recognizes technology allows pupils access to information sources that have not been prescreened by educators using Board approved standards. The Board therefore adopts the following standards of conduct for the use of computer networks and declares unethical, unacceptable, or illegal behavior as just cause for taking disciplinary action, limiting or revoking network access privileges, and/or instituting legal action. The Board provides access to computer networks/computers for educational purposes only. The Board retains the right to restrict or terminate pupil access to computer networks/computers at anytime, for any reason. School district personnel will monitor networks and online activity to maintain the integrity of the networks, ensure their proper use, and ensure compliance with Federal and State laws that regulate Internet safety.

# **Home Instruction**

The education received by the student on home instruction has the same status as what would have been received had the student-attended school regularly. # Access to Student Records

The Hasbrouck Heights High School District shall conform in all respects to the requirements of state and federal law regarding gathering, maintaining, and allowing accessibility to pupil records.

Parents/guardians shall be notified at least annually of their rights in regard to pupil records and have access to copies of the applicable state and federal laws and local policies available upon request. Such notifications shall be in the language of the parent/guardian. Should the parental rights of one or the other natural or adoptive parent be terminated by a court of appropriate jurisdiction, it is the responsibility of the person/agency having legal custody to notify the district that the right to review pupil records should be denied to the person whose rights have been terminated.

A non-adult pupil may assert rights of access only through his/her parent/guardian. However, guidance or child study team personnel, at their discretion, may disclose pupil records to non-adult pupils; or to appropriate persons in connection with an emergency, if such knowledge is necessary to protect the health or safety of the pupil or other persons. # Schedule & Course Change

The course schedule distributed to each student at the beginning of the semester expresses the results of a prior planning process shaped by the student's educational needs, interests, and desires. During that process, school counselors and other personnel provided guidance to students and their parents so that individual choices were informed by an awareness of available options and the longer range impact ofcourseelections. Theresultsofthis process were then used to build the masterschedule, balance class sections, and equalize teaching loads. In sum, the scheduling process is designed to achieve the following goals: To encourage students to undertake a challenging and balanced program of study that widens their life options; 1. To help students make and abide by informed decisions that serve their educational interests; 2. To enable the school to make full use of available human resources. Students sometimes seek schedule changes after the semester begins. To minimize the problems that result from inappropriate student-initiated change requests, the following procedures will be implemented:

- 1. During the first five days of the new semester, the Guidance Department will attempt to quickly resolve requests that reflect the following:
- a. A scheduling error resulting in an incomplete or inaccurate program (Example: no lunch, wrong course);
- b. Changes warranted by summer school makeup;
- c. Course addition(s) that do not require course drops and/or multiple course changes;
- d. Level changes as per course requirements

Only requests that reflect these circumstances will be processed during the first five days of the new semester.

- 2. After the first five days of the new semester and through the end of the second week of the new semester, the Guidance Department will meet with students to consider additional kinds of scheduled change requests. In petitioning for a change, students should be prepared to discuss why the results of the planning process are no longer appropriate. Students are advised that personal convenience and/or preference do not per se justify a change. Changes that would not be considered:
- Teacher preference;
- •Lunch considerations;
- •An interest in joining friends in a particular class
- •Or any combination of the above.
- 3. Unless there are unusual or exceptional circumstances, or unless it is deemed in the student's best interest, no student-initiated schedule changes (with the exception of course withdrawals as discussed below) will be processed after the <u>second week of the semester</u>.
- 4. Any change in a student's program must have parent's written permission if the student is under 18 years of age, as well as approval by the supervisor/administrator.
- 5. **If a course is dropped prior to a first quarter grade, the course will not be reflected on the transcript.** In addition, a student must replace the dropped course with a replacement course prior to the start of the second marking period. After the start of the second marking period, a grade of "W or W/Fail" will be given for the dropped course, and no additional credit course may be taken.

6. If a student is a senior, the quality points and credits for any course dropped after the close of marking period 1 grades will be included in the student's GPA and credit for the course up to the time of withdrawing will be included on the student's transcript. For example: a 5 credit course dropped at the end of marking period 2 will be shown on the student's transcript as 2.5 credits calculated in the GPA

using the quality points earned based on the student's grade. Additionally, colleges to which the senior has applied will be notified of the change in program by the guidance counselor.

7. If a student is a senior and is requesting a change in course from a higher to lower level course, if the change is recommended by the teacher and counselor, then the student will receive credit for the lower level.

8. Students in grades 9, 1 0, and 11 who meet the criteria for the test taking skills courses are required to remain in the course until proficiency is shown (mid-year or full-year). The grade and credits from test taking skills courses are included in GPA calculations.

9. No student may enter and be granted credit for a full year course after the start of the 2nd marking period. Exceptions could be necessitated for transfer students or with administrative approval.

10. No student may enter and be granted credit for a semester course after the 1st or 3rd quarter progress reports have been distributed.

# **Senior Final Exam Exemption**

Exemptions for final examinations will be granted for grade12 students who, in each course: Attain a grade of 90 or higher in each of the four marking periods.

Attain a grade of 90 or higher on the midterm examination.

Accumulate no more than six (6) total absences in a full year course or three(3) absences in a semester course. Note: Five (5) or more consecutive days absent will not count in the total providing that the student provides proof from a licensed physician attesting to the injury or illness mandating the student is exempt from attending school. Attendance will be mandatory during the exam period for which the student is exempt. Students who are absent must adhere to the makeup policy as listed in number 5 of this policy.

**AP Courses-** In lieu of taking a 4th marking period exam in June, students may be required to take an AP test at the time approved by College Board. In order to be exempt from an AP course final after taking an AP exam, students must be in good academic standing, holding an average of 80 or higher at the end of the third marking period. Fourth marking period grades will be left up to the discretion of the individual instructor on the criteria for which the student will be graded (project, etc.).

# **Summer School**

Most students complete their high school graduation requirements within four years. However, that time frame becomes seriously jeopardized if students fail required courses, which are usually also sequential in nature. Therefore, students who fail a required course must make up the course in summer school immediately, if they intend to graduate on time.

If the course is not offered in summer school, or if the student chooses not to attend summer school, the student will repeat the course the next school year.

Parents: Please do not make summer vacation plans or allow your child to commit to a summer job if he or she is in danger of failing a required course. Your child's academic responsibilities and requirements should take first priority, and every effort should be made to work toward a year-end

### Transcripts

There are two types of transcripts:

**OFFICIAL Transcripts** which are sent to a college, university, a state or federal agency, etc. In no case will an Official Transcript be sent or given directly to the student or parent.

**UNOFFICIAL Transcripts** are for a student's personal or general use. It does not bear the official seal of the high school. They may be sent or given directly to a student or parent.

# **Working Papers**
