December Big Idea: Joy

Joy is finding a way to be happy even when things don't go your way.

*Animal: **Otter** Otters are small mammals that live near rivers and lakes. They easily get by on the land and in the water because they have extremely good swimming skills. They are hardworking and enjoy building their nests. They gather branches, smaller trees and sticks to build a dam or nest for themselves and their young.*

*Color: **Orange***

I wish you Peace, Happiness, and Joy!

Remember to make time to READ with your child.

Have a terrific holiday filled with Family, Friends, and Love!

- Parent Teacher Conferences are scheduled for January 6, 7, 13, and 14th.
