*March Big Idea: **Forgiveness***

Forgiveness is deciding that someone who has wronged you doesn't have to pay. One thing this means is that when we forgive someone, we do not hold a grudge towards them.

Animal: Kangaroo Kangaroos live in Eastern Australia. They live in small groups called troops or herds made up of 50 or more animals. Kangaroos can be confrontational and serious in play, frightening young kangaroos. Although these acts can be dangerous, young kangaroos forgive and do not attempt to hurt one another.

Color: Lavender

The Going Green Club is holding their annual Pet Drive. Collections will benefit our local shelter.
Suggested donations: blankets, bones, crates, toys, newspapers, towels, chew toys

The collection will run from March 2–March 13
