September Big Idea:

Friendship It can be defined as using your words and actions to show others you care. Friendships deserve truth and kindness. Think of three people you call friend. Think of all the ways they share this title.

Animal: Octopus These animals stick to a number of surfaces under the sea, just like true friendships. Friends come and go like waves in an ocean, but true friendships stick around like an octopus!

Color: Fuchsia

I understand that we all may have questions regarding the upcoming transition to the Hybrid A/B Model. Once I am informed by the Superintendent of Schools of the specifics, I will immediately relay that information to all of you.
