November Big Idea:

Gratitude *Letting others know you see how they've helped you.*

Animal: *Whale Shark - Did you know that a shark's teeth are usually replaced every eight days? Some species of sharks shed about 30,000 teeth in their lifetime. Guess we can say that sharks have gratitude for their ability to grow teeth faster than any other species.*

Color: *Pewter*

We understand that you may wish to change your child's placement from 100% Virtual Learning to In-person Learning. Simply contact the office to discuss.
