Important Updates/Reminders

- First and foremost, I would like to thank every student, teacher, paraprofessional, secretary, custodian, crossing guard, and family member for making our transition back to school so smooth!!
- To all of our Family Members: Please continue to wear your masks during student drop-off and pick up. It is a requirement while on school grounds.
- When students are learning virtually, please try your best to eliminate background distractions at home. It will help make the learning more impactful for all students and staff.

A Week in Review

- **School Spirit Day** - Every Tuesday & Friday are "School Spirit Days!" Show your Heights Pride by wearing Orange and Black!!

- **Core Essentials** - Our value this month is **INTEGRITY**: doing the right thing even when no one is watching. Our animal or insect is the ant and our color is blue.
