

HASBROUCK HEIGHTS BOARD OF ED
OFFICE
379 BOULEVARD
HASBROUCK HEIGHTS, NJ 07604

To Whom This May Concern,

Thank you for allowing PARAMOUNT EXTERMINATING CO. to provide pest management services over the past year. We have endeavored to supply a service that protects the students, staff and property from pests by utilizing Integrated Pest Management strategies.

As part of the New Jersey Integrated Pest Management Act (C.13:1F-24), annual notification of pesticides used on school property must be distributed to parents, guardians and all school employees. The following materials were applied at this location during the period of:

September 1st, 2023 & July 1st, 2024

LIST:

Material & Active Ingredients:	EPA Registration #:
First Strike Rodenticide (Difethialone 0.0025)	7173-258
Talstar P (Bifenthrin 7.9%)	279-3206

In compliance with the Integrated Pest Management Act we have utilized when necessary products (low impact/botanicals) for all pest complaints. The coordinated effort between HASBROUCK HEIGHTS BOARD OF ED & PARAMOUNT EXTERMINATING CO.'s pest management service is proving effective in quickly solving problems as they are encountered.

As always, if you have any questions or concerns, please contact the IPM Coordinator at the contact information below.
