March Big Idea: Forgiveness	Teachers College Reading and Writing Project Staff Developer Kara Arnold, working with our 3rd Grade Teachers. This year we are fortunate to have Professional Development in Mathematics (Conquer Math) and English Language Arts (Orton-Gillingham, as well as The Reading and Writing Project)
<p>Forgiveness is a choice to let go of frustration toward someone who hurt you. It allows us to think, feel, or act with kindness toward that person.</p> <p>Animal: Gecko - Geckos are lizards, which are members of the reptile family. Geckos have developed special physical features to help them survive. Gecko tails serve many purposes. A gecko may not actually forgive whatever animal takes their tail, but this survival tactic works well, as their tails actually grow back.</p> <p>Color: Mint</p>	

Author's Night, which was previously called Achievement Night, is a night for parents to view their child's class and see all of the amazing work that our students complete in the classroom setting. The name of the night was changed to Author's Night, many years ago to really highlight the awesome writing our students complete, however displays will also include other subject matter.
