November Big Idea: Gratitude	Our 5th Graders last Halloween at Euclid
<p>Gratitude is letting others know you see how they've helped you. Gratitude means you're appreciative of who you are, what you have and who is in your life. We should try to express our gratitude all the time, no matter how big or how small.</p> <p>Animal: Skink - Young five-lined skinks have bright cobalt blue tails, which they can "lose" to distract a predator if they need to make a quick getaway. While a skink might not actually be grateful that a new tail grows back in this situation, this gift of nature is probably appreciated. Gardeners are grateful for skinks because they help control insects and other creatures which cause harm to plants.</p> <p>Color: Yellow</p>	

<p>Please ensure your child has their jacket or sweatshirt to keep them warm when outside with the change in seasons. Please be sure to label all your child/children's belongings.</p>
