November Big Idea: Gratitude	U.S. News and World Reports has recognized Euclid School as one of the Best Elementary Schools. We are currently in the top 18% of Elementary Schools in NJ.
<p>Gratitude is letting others know you see how they've helped you. Gratitude means you're appreciative of who you are, what you have and who is in your life. We should try to express our gratitude all the time, no matter how big or how small.</p> <p>Animal: Skink - Young five-lined skinks have bright cobalt blue tails, which they can "lose" to distract a predator if they need to make a quick getaway. While a skink might not actually be grateful that a new tail grows back in this situation, this gift of nature is probably appreciated. Gardeners are grateful for skinks because they help control insects and other creatures which cause harm to plants.</p> <p>Color: Yellow</p>	

<p>Every Friday is School Spirit Day. Dress your child in Black and Orange to show that our Eagles have that Heights Spirit!</p>
