February Big Idea: Kindness	We recognize our very own Kristen DalCortivo during National School Counseling Week. Ms. DalCortivo works with our classes, small groups, and individuals on a plethora of Social Emotional Topics.
<p>The concept of kindness can be used to describe a number of actions that show others you care. For example, we show kindness to others when we listen without judging. We show kindness by being patient with others when they are struggling to learn something new. Kindness is showing others they are valuable by how you treat them.</p> <p>Animal: Sociable Weaver - A small, unassuming bird in southern Africa,. Sociable weavers make huge nests that resemble hanging haystacks. One rambling nest might house up to 100 families, with room for the next generation. When babies hatch, their older siblings help to feed them.</p> <p>Color: Peach</p>
