| <p>Commitment is the act of doing what needs to get done, regardless of your mood or talents. Even if you're mad, tired, or sad, you still have to carry on with your commitment. Commitment is making a plan and putting it into practice. Making a commitment involves dedicating yourself to something, like a person or a cause.</p> <p>Animal: American Pika - The American Pika is a small, furry animal related to rabbits and hares. It can be found at high elevations in the American West. These hard-working mammals gather a variety of plants in warmer months and stack them near their homes. They must be very careful to work before the day gets too hot. Pikas can easily overheat in their thick fur.</p> <p>Color: Azure</p> |    |

| <p>On Friday, May 31, 2024 Euclid School will hold our Field Day at Depken Field. Students are to report to Euclid School at normal time. Once attendance is taken and all students are accounted for, K-5 students will walk under police escort to the Football Field. We expect to arrive at the Field shortly after 9:00 am. All PTA Donations must be dropped off at the Field. Parents are required to sign their child out with their Homeroom Teacher as they pick them up from Depken Field. The signout process will start at 12:00 as it is time consuming. All students at Depken Field must be signed out at the Field by 12:30. Keys students and only Keys students will be bussed back to Euclid.</p> |
