September Big Idea: Compassion	5th Graders held a <i>Belt Ceremony</i> today as they are recognized as being our Safety Patrols at Euclid. These role models assist our students from tying their shoes, walking them to class, and ensuring their safety.
Compassion is caring enough to do something about someone else's needs. A stranger's compassion can make a world of difference. No matter how difficult it is to sit with somebody when they are having a bad day, a compassionate listener will be patient and not judge. Animal: Mouse - Mice are often associated with being small and vulnerable creatures. In literature, they are sometimes depicted as underdogs or characters facing adversity. Despite their small size, they demonstrate resilience and compassion towards others. Color: Rose
