December Big Idea: Service	I love to see Euclid all decorated for the holidays!
<p>Service is about lending a hand to help someone else, whether they're a friend, a neighbor, or a stranger. It's the small acts of kindness that make a big difference in someone's day. Service is a way of showing empathy and compassion for those in need. Whether it's volunteering at a local shelter, helping a classmate with their homework, or simply offering a listening ear, every act of service has the power to change lives.</p> <p>Animal: Yak-Yaks are known for their resilience and strength, qualities that reflect the spirit of service. Yaks provide valuable resources like milk, wool, and transportation to the communities they serve. Just as yaks play an essential role in the livelihoods of Himalayan communities, service plays a vital role in building strong and caring communities.</p> <p>Color: Denim Blue</p>
