| March Big Idea: Cooperation  | Thank You to Mrs. MacMillian and Mrs. DiGisi for hosting Euclid School's Multicultural Night. It was enjoyable to learn about our students' cultures. |
|--|---|
| <p>Cooperation is like weaving a strong rope from many strands. Together, we can achieve far more than any one of us could alone. By pooling our strengths and talents, we become a formidable force, capable of overcoming any obstacle in our path. When we join forces and work together towards a common goal, magic happens. Each person brings something valuable to the table, contributing their unique skills and perspectives. By collaborating effectively, we can turn dreams into reality and create positive change in the world around us.</p> <p><b>Animal:</b> The Javelina - Javelinas live in family groups known as "squadrons," where members cooperate to protect each other from predators and other threats. They use their keen sense of smell and hearing to alert the group to potential dangers, and they band together to fend off predators if necessary. By working as a team, they increase their chances of survival.</p> <p><b>Color:</b> Charcoal</p> |    |

|   |
|---|
| <p>79 Degrees and Partly Sunny... Sounds like a great start to Euclid School PTA's Glow Run. We have over 300 runners joining us at this time. Come out and SUPPORT Our PTA and enjoy the fun!</p> <p><b>Saturday, March 29th Depkin Field 6:00 pm</b></p>  |
