

### **DETERMINING THE URGENCY OF THE REPORT**

It's important to determine whether the report is an emergency that needs to be handled right away because of safety concerns.

### **IDENTIFY THE NATURE OF THE REPORT**

Depending of what was reported, professionals with different specialities may have to be called in.

### **DETERMINE IF A THREAT ASSESSMENT IS NECESSARY**

The BACT team will screen each report to determine if a threat assessment is necessary, or if assistance can be provided in other ways.

## **THE BACT SCREENING PROCESS INCLUDES THESE ELEMENTS**

### **DOES EVERY REPORT AUTOMATICALLY RESULT IN A THREAT ASSESSMENT?**

No. The purpose of the screening process is to determine what, if any, actions best fit that particular situation.

### **DOES THE SCREENING PROCESS TAKE INTO ACCOUNT IF A STUDENT HAS SOME TYPE OF ACCOMMODATION PLAN IN PLACE?**

All factors are considered during the screening process to ensure the proper response to the situation.
