

## ***General Goals:***

### **Goal 1**

Students in grades 4 and 6 will participate in the 1:1 technology initiative during the 2017-2018 school year. Each student and teacher will be provided with a Chromebook and receive instruction in Google Apps for Education. A Google Apps for Education Skills Survey will be administered three times during the academic year; once in the beginning, middle, and end (April).

### **Goal 2**

During the 2017-2018SY, the Superintendent in collaboration with administrators and staff will develop a mental health committee. The purpose of the committee will be to identify supports for students, identify data collection strategies, and develop ways to communicate student needs throughout the district to ensure students who need supports receive them.

### **Goal 3**

During the 2017-2018SY, the Superintendent in collaboration with administrators and staff will initiate a Parent Academy. At least 4 evening programs will be offered to parents to learn about school initiatives, technology, and/or current issues and trends in education.
