

# Flu Vaccine for Children and Adults

Even healthy people can get the flu.  
Everyone should get a flu vaccine.

This season, protect yourself and those  
around you by getting a flu vaccine.

Tuesday, October 2, 2018  
4:00 pm – to 6:00 pm  
Borough Hall, Senior Center  
320 Boulevard, Hasbrouck Heights, NJ 07604

- Participants 3-64 years of age are welcome; there is a \$20.00 fee for vaccination.
- Participants 65 years or over must bring a Medicare Part B number or pay a fee.
- Participants 65 years and over who also have a HMO must go to their primary care physician.

For more information please call the  
Hasbrouck Heights Health Department  
201-288-1636.

Sponsored by the Hasbrouck Heights Board of Health and Mid-Bergen  
Regional Health Commission in conjunction with the Health Awareness  
Regional Program of Hackensack University Medical Center
