

# HASBROUCK HEIGHTS JUNIOR AVIATORS

July 15th 2022

Junior Aviator Families!

I hope that everyone is enjoying their summer so far! There is nothing better than lying on the beach or sitting by the pool listening to Michael Bolton. Every time I hear "***How Am I Supposed to Live Without You?***", it reminds me of our Junior Aviators being away on summer vacation! Lucky for me, we are already halfway through July which means that September is just around the corner! :- ) [Click Here for some Awesome Easy Listening:](https://m.youtube.com/watch?v=qgu400CumqM)

## [Summer Updates, 2nd Edition:](#)

- ◆ Student Schedules are always the top item on everyone's mind! Schedules will be posted on or about August 25th. I will let you know the official date as we get closer.
- ◆ Mr. Mastro's birthday is July 24th and Mr. D'Amico's is August 29th! **Incoming 6th Graders-** this will be part of the Trivia game that we play during the 1st week of school!!!
- ◆ **MS Back-to-School Night** will be Thursday, September 29th. More information to follow. The first thing that popped into my head while typing this was "***Great Scott, Marty!***" If you picked up on that reference, you're like me and think a red puffy vest and a grey DeLorean are AWESOME! :-)
- ◆ The first day of school for students is Wednesday, September 7th, which is a single-session day. We will continue with our tradition of offering students the opportunity to take a "***1st Day of School Photo***" with **Franklin, the Junior Aviator (1:30 to 3:30 pm)**! **Important to Note:** This is **NOT** *School Picture Day*. This is just a casual photo with our school mascot on the first day of school, which is completely optional. We will have our official *School Picture Day* in October.
- ◆ **Important Reminders:** Work on your Summer Reading, Supply List, and don't forget that our 6th Grade Parent Orientation (and NEW students) is set for August 31st at 7pm (more info to follow).
- ◆ Let me leave you with another classic from my friend Michael Bolton:
