This is a special night for students and therefore we ask all to be dressed in formal attire.

A photographer will be taking formal pictures outside the venue at 5:15 pm-6:00 pm. Parents are also welcomed to take pictures outside the venue from 5:15pm-6pm. The venue doors will open at 6pm sharp. Only students and approved chaperones will be allowed to enter the building once the doors open. Once the students enter the dance, they are not allowed to leave without an adult. Anyone leaving the dance may not re-enter. (We are working on inclement weather details and will keep you updated)

There will be photobooth style pictures during the event with a # - hashtag: The hashtag will be available during the formal for students to post their event photos on social media. The link will be given to all students 2 weeks prior to the event.

The Formal is sure to be a memorable night for all, but we must remind you that all school rules apply. Students who violate policy will be removed from the dance and the Hasbrouck Heights Discipline Code will be enforced.

We would love to have our entire 8th grade class take part in this final fun filled event. It is our hope that every 8th grade student who wishes to attend, can and will attend. If you have financial concerns, please call or email Michelle Nipitella at michnip@gmail.com 201-491-3367.
