

Virtual Art Class: Project # 1

Jr. Aviator Students study the work of contemporary artist **Peter Tunney** (check him out:

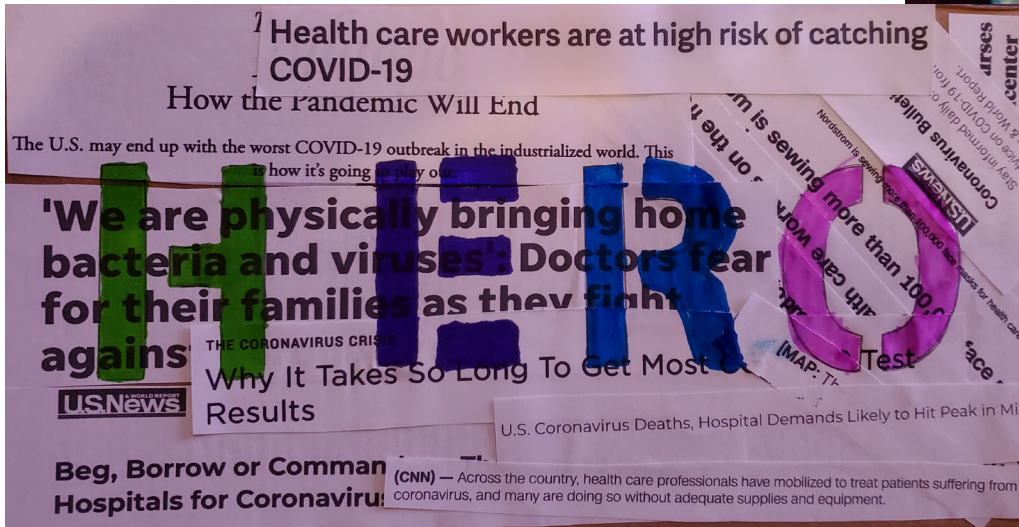

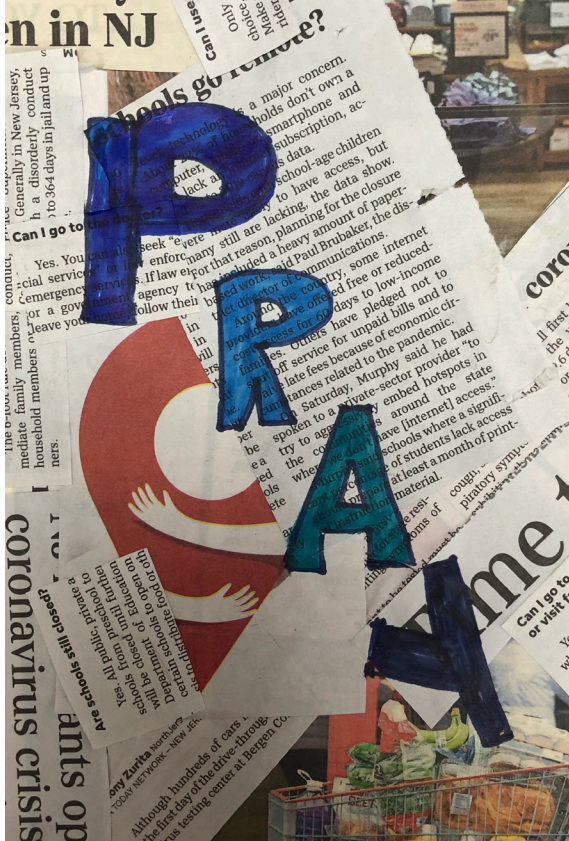

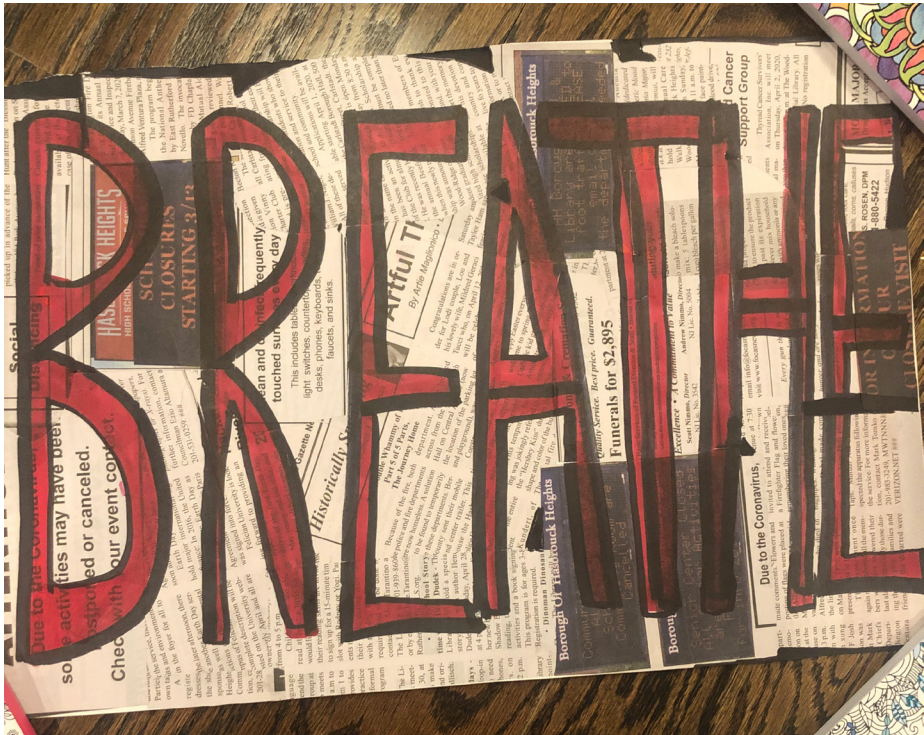

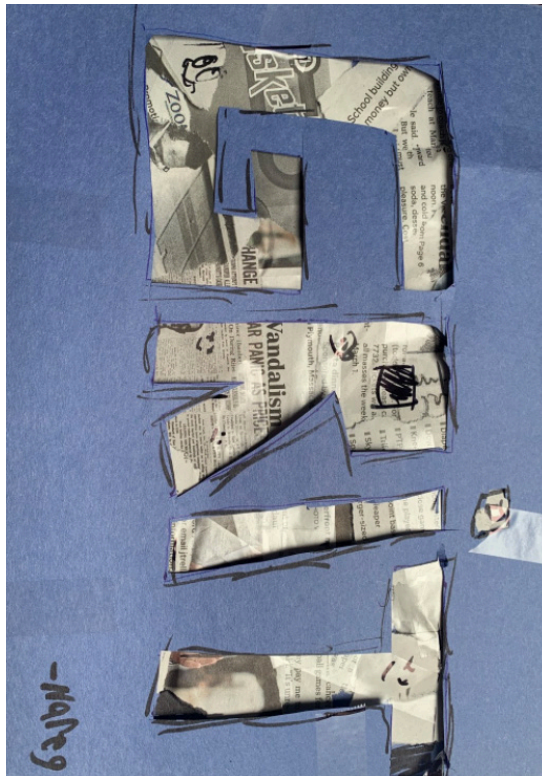

<https://youtu.be/mAm640LzcWM>) Tunney makes painting collages by ripping up “bad news” from the papers and painting encouraging messages over them. This week, Hasbrouck Heights Jr. Aviators make their own Tunney-Inspired Artwork... and in the process, **TAKE THEIR POWER BACK** during this challenging time! **Please enjoy these samples... I wish I could have included them ALL!**

A red cross symbol is drawn on a piece of paper. The cross is formed by two thick, hand-drawn red lines intersecting at the center. The paper has some faint, illegible text visible in the background, including the word "Schne" and some numbers like "020".
