Tel: (201) 393-8146
Fax: (201) 288-0289

Dear Parents/Guardians:

We have received a directive from Bergen County Executive Jim Tedesco that all Bergen County Schools are required to close as of March 13th at 3 pm. The school district will follow the Coronavirus Preparedness Plan that was emailed to you last week. A copy of that plan is enclosed and on our website. The Building administration will send more information throughout the closure. Information will also be available via the District homepage, www.hhschools.org under the tab "District" and "Health-Related School Closure Information".

Chromebooks have been distributed today to students who indicated a need for a device. For those students who may still require a Chromebook (i.e. absent students/multiple students in a household), they will be distributed tomorrow, Saturday, March 14th from 12-2 pm in the Middle School/High School Media Center. If a Chromebook is borrowed, the expectation is they are returned when school reopens in the same manner as they were received. By Monday, March 16th the district will be sending further correspondence regarding free internet access for all, inclusive of login credentials.

All students who receive special education and/or related services will continue to receive these services as outlined in the following letter sent home to families. [Special Education - Related Services](#).

District Administration will continue to update you with more information as it becomes available. Correspondence will be shared on Wednesday, March 18th inclusive of updates from the County Executive and the NJ Department of Education.

We appreciate your understanding and cooperation during this unprecedented time. Our goal and focus are always and will continue to be providing quality education for our students.

Sincerely,

Matthew Helfant, Psy.D.
Superintendent of Schools
