

LITTLE LEAGUE REGISTRATION closes March 15th

Hasbrouck Heights Little League

We are a 100% volunteer organization with its guiding principle to teach boys and girls the wonderful games of baseball and softball. If your child is interested in learning and playing baseball or softball, we invite you to register them for our upcoming Spring 2020 season. **Register now to join our Little League and Travel Baseball Programs!**

How to Register: (registration closes 3/15)

- 1 • Visit HHL website hosted by Blue Sombrero
• hhlittleleague.com
- 2 • New Parents – “Register” to create an account
• Login and go to “My Account” to sign-up your child for available programs

USA Bat Rule (Effective 1/1/2018)

- April 4th Opening Day Parade (weather permitting)
- April 4th Team Pictures following Opening Day Parade
- June 13th Season Ends / Picnic

AVAILABLE PROGRAMS

League Age: the players age as of August 31st in that season. Players must be no older than twelve years of age by the same date. Review the [Little League Age Chart](#) to determine your child's "Little League Age" and eligibility.

Tee Ball (4-5 years): Focus will be on FUN and skills development. Children will hit from a batting tee and learn basics of hitting, catching, throwing and game concepts. We also hope to develop parents as future managers, coaches and volunteers from this level. Score is not officially kept as both sides are winners at this level.

Minor League - A (6-7 years) / Coach Pitch: Skills development continues at this level. The fundamentals of position play will be learned, and skills will be enhanced to include base running and reaction to game situations. Teams are formed utilizing a "draft" process with the goal of forming teams of equal ability. Score is kept but team standings are not.

Minor League - AA (8 years) / Kid Pitch: Skills development as well as advanced competition develop at this level. Greater emphasis placed on learning the pitcher and catcher roles. Teams are formed utilizing a "draft" process. Score is kept but team standings are not. 8 year old's are eligible for selection to a "Tournament Team" that will continue post season play.

Minor League - AAA (9-10 years): Skills development as well as advanced competition develop at this. Kids will pitch from regulation distance and will learn more fundamentals to base running and stealing bases. Teams are formed by draft. Score is kept as are team standings, and a division champion will be recognized at the conclusion of the season. Children in this age group are eligible to be selected to our District All-Star teams.

Major League (10-12 years): Emphasis at this level is on teamwork and continuing to learn the more advanced rules of baseball. These divisions are Little League divisions - all kids in the age bracket are eligible for District play on our All-Star teams.

Softball (6-8 years): Our softball program focuses on developing and preparing girls to play in the Hasbrouck Heights Recreation travel softball program. Girls will be taught positional play and how to pitch; they will face coach pitch for most (if not all) of the season. 7 & 8 year old's are eligible for selection to a "Tournament Team" that will continue post season play. All 8yr old girls will be invited to participate in the Hasbrouck Heights Softball Tournament.

Volunteers Needed

eMail the Hasbrouck Heights Little League Board if you're interested in volunteering to help coach!
