Dear Junior Aviator Family,

We are down to only final week of school. Please remember that Report Cards will be available on Friday, June 23rd in the afternoon. I still can't believe that this year is almost over. As always, we had a very busy week.

Our Peer to Peer Students visited the elementary schools to help the students learn how to open up locks and give more information to help the 5th graders transition into middle school. We are so excited for our 5th graders to begin their Middle School Journey!

Congratulations to our Robotics/Coding Teams that were honored last night at the BOE meeting. Also, Congratulations to Ms. Ferranti who was our Middle School Teacher of the Year who was also honored at last night's BOE meeting. And Finally, Mr. Sicilian who will be retiring this year after 40 years in education and 29 years in Hasbrouck Heights. He will definitely be missed!

A BIG THANK YOU to the HHPD for hosting a great 8th Grade Swim Party last night. Our students had a blast!

Have a great weekend, Mr. Mastro
