- ◆ 6/14 - Junior Aviator Night

Dear Junior Aviator Parents, Guardians & Students,

It was great to be back this week. We had a busy week with State Testing. Thank you to all our Junior Aviators for trying their best.

Please take a moment to review some of the important dates on the left. I will continue to do my best to keep everyone informed. We are going to blink our eyes and it will be the summer. As I tell everyone, I wish that I could keep the 8th graders for another year. It definitely went way too fast.

I want to end by giving a Shout-Out to our two amazing Administrative Assistants - Lisa Mason and Cathy Behr

This past week was their special day! We are so lucky and blessed to have both of them at the Middle School.

Have a great weekend, Mr. Mastro
