Dear Junior Aviator Parents/Guardians & Students,

We have our 10th annual Junior Aviator Spelling Bee next week. Congratulations to the 24 students who qualified for the Bee!

We are down to the final two weeks of Marking Period 2. Let's work hard to finish on a high note. Please reach out to your teachers/counselors if you need assistance. Last but not least, a **HUGE SHOUT OUT** to our fantastic Coding Team who made it to the quarterfinals before losing to a team from Hong Kong. We are so proud of our Robotics and Coding students!

Have a great weekend!- Joseph Mastropietro
