Dear Junior Aviator Family,

It's been such a pleasure to walk around our school and see all of the amazing work being done in our classrooms! The students and staff are working hard each day and I am extremely pleased with their progress so far.

Thank you to our Junior Aviators who participated in "Team Day" this week. We also had our initial Class Meetings this week and our theme was for all of our Junior Aviators to be the "Best Version of Yourself."

Please encourage your child to join at least one of our Middle School Clubs, as we are very proud of all that we have to offer. Our Guidance Department has sent an email of when each club/activity will be meeting throughout the school year. Also included in the email, you will find the MS Extra Help Schedule.

I look forward to seeing you all at *Back-to-School Night* on September 29th.

Have a great weekend and good luck to all of our students with their weekend sports, games, and activities/events!
