Dear Junior Aviator Parents, Guardians, & Students,

Junior Aviator Parents/Guardians,

I will be following up with you via email with updates and information as it becomes available. We will take the virtual learning one step at a time and we will be available to assist with any questions or concerns. As we discussed with the students, email will be the best means of communication with any school personnel during the closure. Our goal is not to overwhelm the students, but rather to continue education through our digital platform. In the meantime, please visit our district website by clicking the link below.

On Tuesday, Josephine Kim represented Hasbrouck Heights Middle School at the North Jersey Spelling Bee. She did an amazing job reaching the third round! Congrats, Josephine!

On Wednesday, we had our Middle School Geography Bee. Congratulations to all the students that competed. We had our first 6th grader, Matthew Fermin, win the Geo Bee. A special thank you to Mr. Muska for setting up the entire event. Also, a thank you to Mrs. Caruso, Ms. Hui, and Ms. Coffey for judging the competition.

On Thursday, we had our Club pictures for the Middle School which will be displayed in our MS Memory Book. See a few samples below. A special thank you to Mrs. Mancini and Mrs. Quish for spending the entire day getting all the pictures completed.
