Dear Parents and Guardians,

We are so excited to share with you an opportunity to give back to our teachers, faculty, and staff members. During such unprecedented times, our teachers/faculty/staff have been working extremely hard to do all that they can to make this school year successful and are going above and beyond for our children. With that being said, we wanted to reach out to our school community to see if we could come together to make the **2021 Teacher Appreciation Week** a HUGE success. But we will need your help!

Of course, in order for this to happen, we need funds. Unfortunately, due to the current circumstances, we have NOT had many opportunities to do fundraising events as we've done in previous years and as a result, our budget is extremely limited. When the PTSA first approached us about how we could honor and show our appreciation to our amazing teachers/faculty/ staff (under the current circumstances) for **Teacher Appreciation Week**, we were both excited and eager to get started on this! This is where you all come in!!

We know that everyone is extremely busy and there is not much "free time" available to volunteer at a PTSA fundraising event. However, we are hoping that our parents, guardians, and school community members would be willing to give back via monetary donations. Each and every donation that we receive will go directly to our teachers and staff members to show our appreciation during **Teacher Appreciation Week**, which is scheduled for **May 3rd- May 7th!**

Donations can be dropped off at the chairperson's house (*see below*) **OR** brought into school and dropped off in the MS or HS Main Office. The envelope should be labeled as "**MS/HS Teacher Appreciation Week**". No amount is too small and no amount is too big! :) Of course, we understand that some families may not be able to donate monetarily, so please mark your calendars for May 3rd through 7th and don't forget to send an email or a card to your child's teachers to show your appreciation for all that they do! We truly cannot thank you enough for your anticipated support! Stay safe.

With Warm Regards,

-The Teacher Appreciation Week Committee
