## "HOME OF THE JUNIOR AVIATORS!"

Mr. Joseph Mastropietro, HHMS Principal

Mr. Frank D'Amico, HHMS Vice Principal

March 18<sup>th</sup>, 2021

Junior Aviator Parents/Guardians,

In an effort to remediate some of the potential gaps that may have occurred as a result of the pandemic, we are in the process of developing a **Summer Enrichment Program** to be offered to all middle school students in the areas of Reading, Writing, and Mathematics. The *Summer Enrichment Program* is NOT mandatory and will be provided at no cost to the students/families who wish to participate.

The program will run for three (3) weeks beginning on Monday, July 12<sup>th</sup>, and ending on Thursday, July 29<sup>th</sup> (12 days total). Students who choose to participate will come to the school building (in-person) for a 2-hour session of instruction with a certified ELA and Mathematics teacher (one hour each). The program will run Monday through Thursdays ONLY and students will be assigned to different groups based on their individual learning needs and academic skills.

### **The preliminary schedule will be as follows (subject to change based on the # of students that sign up):**

- Current 8th Grade Students > 8:30 am - 10:30 am
- Current 7th Grade Students > 9:30 am - 11:30 am
- Current 6th Grade Students > 10:30 am - 12:30 pm

**IMPORTANT:** Please complete the survey below to let us know if your child will be participating in our *Summer Enrichment Program*. Participation in the program does not require perfect attendance (all 12 days). If your child can attend the majority of the sessions, please let us know by submitting "yes" below. If you have multiple children who you'd like to enroll in the program, please "submit another response" for each additional child. **The survey must be completed by Wednesday, March 31<sup>st</sup>.**

Thank you for your support and cooperation.

Respectfully,

*Joseph Mastropietro*
