## A Tradition of Academic Excellence

For over 160 years Seton Hall has been a place where leaders learn. A leading Catholic university, Seton Hall offers more than 90 rigorous academic programs that are highly ranked by The Princeton Review, U.S. News & World Report and Bloomberg Businessweek.

Seton Hall offers all the advantages of a large research university — a national reputation, challenging academic programs, notable alumni, state-of-the-art facilities, renowned faculty and extensive opportunities for internships, research and scholarship — with all benefits of a small, supportive and nurturing community.
