October Big Idea:

Integrity The quality of being honest and having strong moral principles; uprightiness. Someone with integrity chooses to be truthful in whatever they say and do.

Animal: Ants - Ants are the world's strongest creatures in relation to size. A single ant can carry 50 times its own bodyweight, and they'll even work together to move bigger objects as a group! It takes a lot of inner strength to be honest in all we say and do.

Color: Blue

As we transition back into school for *In-Person instruction*, students' and staff members' health and safety has been, and will continue to be, our number one priority. We are asking that all parents/guardians assist in ensuring that all students remain healthy, by **mandating** that your child is **NOT** to enter the building if they exhibit one or more of the signs and/or symptoms of Covid-19: **STAY HOME IF SICK.**
