October Big Idea:

Integrity The quality of being honest and having strong moral principles; uprightness. Someone with integrity chooses to be truthful in whatever they say and do.

Animal: Ants - Ants are the world's strongest creatures in relation to size. A single ant can carry 50 times its own bodyweight, and they'll even work together to move bigger objects as a group! It takes a lot of inner strength to be honest in all we say and do.

Color: Blue
