To All Parents/Guardians:

During the time that the Hasbrouck Heights School District will be closed, the State requires all children that are eligible for **free/reduced lunch only** be provided those meals.

We will have our Food Services provider hand out those lunches between the hours of **10:00 am to 12:00 pm only**. They will be providing a 'Grab & Go' meal. Please pick up the lunch during the designated hours. The meals will be handed out at the Middle School entrance on Paterson Avenue within those designated hours. We ask that each family line up at an orange cone which will provide the recommended distance of six feet.

To ensure that we comply with all the recommended safety procedures, we will be admitting one family into the building at a time. They will check in with a Maschio staff member and then be directed to a table to pick up their lunch. We would like everyone to stay six feet apart at all times. Once you have received your lunch you will be directed to an exit door which will bring you back outside.

There will be no access to anywhere in the building except where the lunches will be distributed. We will be re-sanitizing the premises that are used each day after the distribution of the lunches.

We appreciate all of your cooperation during this time. If you have any questions, please contact Valerie Giancaspro @ giancasprov@gmail.com

Sincerely,

Dr. Matthew Helfant
